Revamping Lotteries - Unfortunately ANet has forced our hand to rework the lotteries once more due to the mail/guild bank withdrawal cap of 500g.

- Weekly Proposal - Shift to 1 ecto per ticket. Double the lottery ticket limits from 5-10 for regular members and 10-20 for premium members. This limit shift will help mitigate value of ectos that are always below 50s.
- Legendary Proposal - ? (We have time to decide on the new system, current drawing will remain a gold/ticket system for fairness)
